

**SUPPLEMENTARY AGREEMENT TO THE ELECTRICITY SUPPLY AGREEMENT  
WITH COMMERCIAL AND INDUSTRIAL CUSTOMERS (CONSUMERS AND RES  
SELF-CONSUMERS) OF BIOLAND PROMITHIA LTD REGARDING GUARANTEE  
OF ORIGIN CERTIFICATES**

This agreement is hereby signed today on ....., in Larnaca, Cyprus between **BIOLAND PROMITHIA LTD**, with registered address at 3 Eleftherias, 7102, Aradippou, Larnaca, Cyprus, with registration number **HE 384964**, which is represented for the purposes hereof by its director Constantinos Eliopoulos, hereinafter referred to as **"Supplier"**

**AND**

..... with registered address at ....., Cyprus, with registration number ....., which is represented for the purposes hereof by its Director or its authorized representative ....., hereinafter referred to as **"Customer"**

Hereinafter jointly referred to as the **"Parties"** and which hereby agree as follows:

**PREAMBLE**

WHEREAS the **Parties** have signed an Electricity Supply Agreement with Commercial and Industrial Customers (Consumers and RES Self-Consumers) of Bioland Promithia Ltd, on ....., relating to the meter ....., which includes any amendments thereto, hereinafter referred to as the **"Agreement"** and the Parties wish to sign this Supplementary Agreement, hereinafter referred to as the **"Supplementary Agreement"**, valid from the electricity supply **Start Date** or at a later date to be agreed upon, in order for the **Customer** to be able to utilize Guarantee of Origin Certificates, commonly known as Green Certificates, hereinafter referred to as **"Guarantee of Origin Certificates"**, for all electricity consumption (offtake) at its **Premises**.

NOW THEREFORE The **Parties** hereby agree that the following shall be added to the **Agreement**:

1. The **Supplier** must supply electricity to the **Customer's Premises** with the green tariff, which comprises of the basic tariff provided for in the **Agreement** with a small additional charge for covering the market value of **Guarantee of Origin Certificates**, as well as the costs of issuing and cancelling them. The green tariff is set out in Appendix 'A' of the **Agreement** and it covers all the **Customer's** consumption (all offtake from the network) during the consumption period provided for in the **Supplementary Agreement**."
2. The **Supplier** must provide to the **Customer**, a Cancellation Statement of Guarantee of Origin Certificate for each completed MWh consumed, from the Transmission System Operator of Cyprus as the authorised issuer of **Guarantee of Origin Certificates**, on an annual basis. If there is a remaining portion of a consumed MWh, it will be considered as a full MWh and an additional **Guarantee of Origin Certificate** will be cancelled for the **Customer** at no extra charge.

3. The **Supplier** must, at the end of each year, to cancel an additional number of **Guarantee of Origin Certificates** to cover the network losses corresponding to the **Customer's** consumption. These additional **Guarantee of Origin Certificates** required to cover the network losses will be cancelled for the **Customer** at no extra charge.
4. The **Supplier** must send the **Guarantee of Origin Certificate** Cancellation Statements to the **Customer** on an annual basis, for the consumption period specified in the **Supplementary Agreement**.
5. The **Supplier** must submit to the **Customer**, a Certificate of Participation in the "Bioland Green Tariff Scheme", certifying that the total electricity consumed is covered by **Guarantee of Origin Certificates**, which verify that 100% of the electricity comes from **Renewable Energy Sources (RES)**.
6. The **Customer** has the right, for as long as the **Supplementary Agreement** is in effect, to use the "**Bioland Green Pass**" logo, which will be provided by the **Supplier** in electronic format, during the period of participation in the scheme, as promotional material on products, advertisements or communications.
7. This **Supplementary Agreement** shall have a duration of at least twelve (12) months from its effective start date and will be automatically renewed for an additional twelve (12) months, unless the **Customer** notifies the **Supplier** of its intention to terminate it before its expiration date.
8. Upon expiration or termination of the **Supplementary Agreement**, the **Supplier** will cease cancelling **Guarantee of Origin Certificates** for each full MWh consumed by the **Customer** and it is understood that the **Customer** will immediately stop using the "**Bioland Green Pass**" logo as promotional material on products, advertisements or communications.

In witness whereof and in the presence of the undersigned witnesses, the **Parties** hereby set their signatures
